MEMORANDUM FOR: Executive Secretary

FROM: Frederick L. Wettersing
National Intelligence Officer for Africa

SUBJECT: Draft NSDD of Angola

REFERENCE: Memo from ES/NSC to Multiple Addressees,
dtd 29 Nov 85, Same Subject (ER 85-4722)

25X1

1. The draft NSDD on Angola is frankly an excellent piece of work with which I think we will be very comfortable. I have coordinated the draft NSDD with and with (C/AF/ALA/DI) who have no problems with it. Attached is a memorandum to the Executive Secretary, NSC, for your signature.

25X1

2. Phil Ringdahl of the NSC Staff tells me that he anticipates problems from State overall and problems from Commerce, Treasury, and USTR on the page 3 specificity of constraining US commerce with Angola. The NSC's view is to at least start with the strongest possible document. It is my hope that it can survive these challenges relatively intact.

Frederick L. Wettersing
